Park[ing] Day

ASLA-MN is organizing Park[ing] day 2017 in the Northloop. We are taking over a full block to convert up to 8 parking stalls into continuous parklets to demonstrate the importance of Landscape Architecture and the power of green space in Urban Areas! Join as an office/organization, professional, or student and attend our collective design charette to develop the "big ideas". After the ideas are developed, coordinating sponsors and volunteers will occur to make the Installation day a success! Dates below.

COLLECTIVE DESIGN CHARETTE [August 2nd, 2017]

5:30pm - 8:30pm
Perkins and Will
IDS CENTER
80 S 8th St. #300
Minneapolis, MN 55402

INSTALLATION DAY [September 15, 2017]

8:00am - 3:00pm
Washington Ave [between 6th and 7th St]
North Loop, Minneapolis
